

IFMSA-Thailand

What is

IMRC

2025

IMRC

International Medical Student Research Conference

It is a forum for undergraduate medical students to present their research, exchange ideas, and improve their communication skills while competing for the prestigious Her Royal Highness Princess Maha Chakri Sirindhorn Trophy. The event is proudly hosted by Phramongkutklao College of Medicine (PCM) and the Council of Thai Medical Schools (COMES), showcasing academic excellence and collaboration in medical education.

108, 509, 515, 522, 542 or 551**

Recommended Application

ViaBus

The background is a gradient from dark purple at the top to light pink at the bottom. It features various decorative elements: white stars of different sizes, small white dots, a white cross symbol, and white line art including a constellation in the top right and wavy lines at the bottom. The text 'IMIRC' is prominently displayed in the center in a white, serif font with a subtle glow effect.
